Connecting with Care!

We will kick off the event with a motivating Key Note speaker Matt Jones, "Healthcare Information Management is a Marathon". Check him out at <http://www.MatthewDJones.com>.

We have great speakers on current IT strategies for the challenges that Healthcare Professional face, such as, Population Health, Telehealth in rural America, MACRA/MIPS, a real story of Ransomware/Security and more. In addition we will be bringing back, "Rapid Fire" which are 6-minute topic presentations that highlight IT trends.

And something NEW!!! Key topic round table discussions for Healthcare IT topics - This will allow for more one on one direct conversations and networking among attendees share your experiences and peruse the latest offerings from our vendor sponsors. We believe we have an exceptional group of presenters this year and we look forward to the conference!

See you in Wichita!
